

Mbemba Claudius

*Adventure addict, Life learner,
World traveler, Entrepreneur,
Software Engineer*

WORK EXPERIENCE

- MAR 2016** • **MICROSOFT**
PRESENT • **Software Development Engineer:** Working under the Office Product Group (OPG) developing applications to solve the issue of productivity on mobile. Shipped Version 3 of Outlook for Apple Watch / iOS. Built Outlook for Alexa/Amazon Echo
- MAY 2015** • **MICROSOFT**
AUG 2015 • **SDE Intern:** Built an internal health-monitoring dashboard that would alert Service Engineers & Program Managers of outages and service downtime so problems could be promptly resolved for our customers.
- SEPT 2014** • **OSUTECHCOMMERCIALIZATIONOFFICE**
MAY 2015 • **Software Developer:** Built an inventorying and reordering system for dermatologists consisting of an iOS mobile application with barcode scanning functionality, a SQL database, and a Ruby on Rails backend system for the Administrator to monitor the data received, patients, and inventory.
- NOV 2013** • **FUNDSTARTER**
DEC 2014 • **Co-Founder & CEO:** Developed a web-based platform that helps non-profits fundraise. Registered company as an LLC, secured legal aid for our operations. Partnered with various charities & corporate entities.

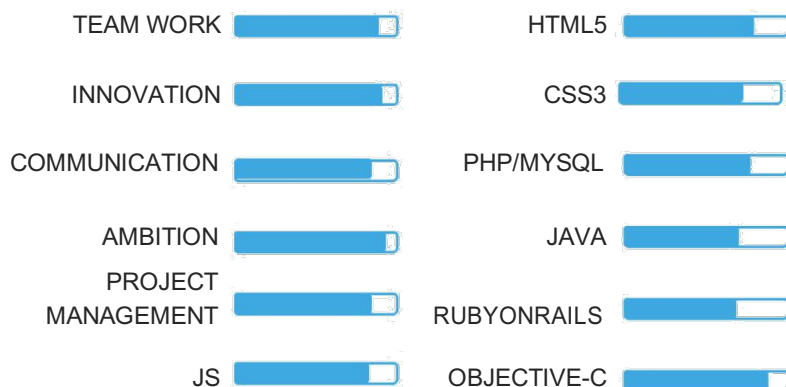

EDUCATION

- AUG 2011** • **BACHELOR'S DEGREE**
DEC 2015 • **The Ohio State University:** Majored in Computer Science with a minor in Spanish and a strong focus on Entrepreneurship.
- ONGOING** • **ONLINE LEARNING**
University of the Web: From Lynda to Udemy, I've taken my education beyond the classroom walls & constantly take MOOCs to improve my knowledge of different programming languages / emerging web & mobile tech.
- AUG 2008** • **HIGHSCHOOL DIPLOMA**
JUN 2011 • **Olentangy High School:** Summa Cum Laude; Graduated top 5% of class.

SKILLS

PROFILE

Hola I'm Claudius: I am an aspiring entrepreneur and a mobile / web developer residing in Seattle, WA. When I'm not busy building mobile apps or side hustling, I love to travel, play sports and spend time with friends and family.
